

## Test Verification of Conformity

This verification of conformity is based on an evaluation of a sample of the following mentioned product, and technical report and documentation are at the license holder's disposal.

This is to verify that the tested sample is in conformity with all related provisions of harmonized standard EN71 under

Toys Directive 2009/48/EC. Once all product relevant **CE** marking directives are verified in compliance, the manufacturer may indicate compliance by signing a Declaration of Conformity themselves and applying the marking to product identical to the test sample(s) if the product complies with all relevant CE marking Directives requirements.
